NC Fishin' Boys

Don and Lynn,

Thanks so much for a most enjoyable stay and fishing experience at your lodge last week. The outpost cabin was exactly what we were looking for and even exceeded our expectations. The cleanliness and organization of the lodge, dockhouse, bathhouse and our cabin was impressive, and appreciated. And thoughtful things like the ice and storage bins for our beer and fish and the shore lunch sports with cookers and propane made things that much nicer and more enjoyable. You two run a first rate camp and it really shows. We are already looking forward to a return trip in 2012 in hopes of landing that elusive trophy Northern, Lake Trout and Walleye.

Thanks again,
Brad Lucas
